

Freckle Trainings

Expert guidance to help your school and district thrive with Freckle.

We offer a full suite of training options to help you get the most out of Freckle. Whether you're just getting started, or you're a long-time customer looking for more professional development, we've got the training for you.

Onboarding Trainings

Hit the ground running right from the start. With our Onboarding Trainings, your staff will have the knowledge they need to be successful with Freckle from day one.

Basic

\$499

Conducted remotely

🕒 1 hour

Learn the basics of Freckle School Edition.

A great option if all your teachers are experts with the Free Edition of Freckle.

Complete

\$999

Conducted remotely

🕒 3 hours

Our most popular training. Receive an in-depth overview of Freckle for your school or district.

Onsite

\$2,499

Conducted on-site

🕒 3 hours

For more personalized support, a Freckle team member will come to your school and provide customized training for your staff.

First Year All-Inclusive Package

~~\$3,499~~ **\$2,999**

Our 6-hour Onsite Onboarding with an additional 2 hours of Professional Development Trainings included. Can be used at any time throughout the year.

Professional Development Trainings

Give your staff the professional development they need to get the most out of Freckle.

Choose from the following options and create your own remote training package for \$250/hour. Or, upgrade to a customized, on-site training for \$2,499/half day.

Getting the most out of Freckle

🕒 3 hours

Let us help you get the most out of your investment. Whether you are a one-to-one school, or share devices, we'll show you how to easily integrate Freckle into the classroom.

Using Freckle Math in the Classroom

🕒 1 hour

Introduce your students to everything that Freckle Math has to offer. We'll dive into Adaptive Practice, Targeted Practice, Benchmark Assessments and Math Printables.

Using Freckle ELA in the Classroom

🕒 1 hour

Introduce your students to everything that Freckle ELA has to offer. We'll dive into our article library, Word Study, and Benchmark Assessments.

Inquiry Based Lessons

🕒 1 hour

During this training, we will walk you through our extensive library of common-core-aligned inquiry based lessons and show you how to implement them in your classroom.

Enrichment for gifted students

🕒 1 hour

Use Freckle to challenge your gifted/high achieving students. We will help you ensure students are absorbing abstract concepts and applying themselves to reach their full potential.

Moving students up to grade level

🕒 1 hour

Use Freckle to easily provide support to your below-grade-level students. We will show you different methods of tracking progress and helping to create personalized intervention plans for your students.

End-of-year test prep

🕒 1 hour

Preparing your students for end-of-year testing is no easy task and we are here to help. These strategies will help boost students' confidence and help master test taking techniques.
